Released December, 2013.

***THE VIAGRA DIARIES*, RAVE REVIEWS!**

PUBLISHERS WEEKLY - "...Anny's restless and sweetly funny search for true love, meaningful work, and a happy family is ageless—and a poignant portrait of a generation that's not yet ready to fade away."

KIRKUS REVIEW - "*A smart, witty, sometimes hilarious coming -of-age novel for and about the boomer generation. This realistic and funny novel will appeal to women of all ages, while men should find it attractively controversial.*"

BOOKLIST REVIEW - "*While most contemporary women's fiction focuses on the plight of the twenty-something, Brooker's novel is a refreshing glimpse at love after 60... nontraditional-dating story, The Viagra Diaries is frank, open, honest, and fun.*"

"Funny and Poignant...I Love This Book!"—**JOAN RIVERS**

***THE VIAGRA DIARIES* BOOK SYNOPSIS:**

Sixty-five year old Anny Applebaum, the lovable protagonist in Barbara Rose Brooker's *THE VIAGRA DIARIES* (Gallery Books; April 30th, 2013; \$16.00), is a columnist who wants fame, fortune, sex and undying love. She writes "The Viagra Diaries," a San Francisco weekly lifestyle column researching love after sixty. She places ads on Internet singles sites and interviews men over sixty. Is love possible in the Viagra generation? Anny doesn't believe in age, she's a pioneer of the ageless generation and writes about ageism. But her editor at the San Francisco Times informs her that if she doesn't write something controversial the column will go. So she posts her profile as an eligible sixty-five year old single on JDate.com. Sure, Anny's a little out of practice. She hasn't been with a man since she found Viagra in her exhusband's suit pocket, and he wasn't taking it for her. She begins dating and she's got her.

ABOUT:

Barbara Rose Brooker, author of *The Viagra Diaries* is a native San Francisco author, journalist and performer. She writes a column, *Boomer In The City*, for the SF JWeekly and Huffington Post.

She has written a trilogy of books about Boomers looking for love - *The Viagra Diaries*, *Love Sometimes* and *Should I Sleep In His Dead Wife's Bed*. She has published fiction *So Long Princess*, and *God Doesn't Make Trash* with *Morrow*, *Crossing* and other presses.

She performs monologues from her bestselling novels, about love, dating and career after sixty. She will be seen again on national television, including *The Today Show*, *Entertainment Tonight*, *The Talk with Sharon Osbourne* and others.

Brooker has a Masters in creative writing and teaches at San Francisco State University OLLI. She is the founder of the first ever *Age March* in history at www.agemarch.com and continues to speak about age, ageism, goals, and ageism.
